

# **CBST-USAS Payment Agreement**

**(All payments are by credit card)**

I understand that:

- All team related fees will be charged to my account (including program participation dues, out-of-district fee, travel, meet entry fees, equipment, caps, etc.) unless otherwise communicated.
- Registration fees based on the options I choose during the registration process will be charged to my credit or debit card upon completion of the online registration process. Fee adjustments related to any errors in my registration (e.g., selection of wrong practice group) will be charged/credited to my card either upon approval of my registration or with the next monthly billing.
- I must have a credit or debit card on file in my Team Unify portal and that card will be charged on the first of each month for all charges billed at that time.
- In the event that a bill is not paid by the 25<sup>th</sup> of the month (due to card being rejected and functional replacement not being provided, or otherwise), there will be a \$25 late fee charged per month and my child(ren) will not be able to continue participating in the program.
- I can access my billing account at any time through my Team Unify portal.
- There may be months in which my account balance is zero and my credit/debit card is not charged.
- I will need to pay a yearly per swimmer fee for USA Swimming Registration directly to USA Swimming via my SWIMS portal (see posted pricing information for amount).
- It is my responsibility to enter/check my swimmer's availability/entries for each meet per email communications. In most cases there will not be an opportunity to review entries and if anything regarding my swimmer's meet attendance changes, I must follow emailed procedures to alert coaches/staff. After the communicated CBST team deadline I will be responsible for all meet entry fees whether my swimmer attends the meet and swims the events or not and exceptions cannot be made for any reason including illness, weather, etc. as CBST-USAS must pay the host team ahead of time and regardless of personal or situational issues that may arise.
- Meet entry fees will be billed via my account and I should not make a separate payment when indicating availability for a meet.
- I am responsible for the increased costs associated with the price change if my child(ren) progresses to the next practice group during the season.
- There is no inactivation or early termination if my child(ren) decides to no longer continue swimming according to the option for which I have registered my child(ren) and if my child(ren) decides to leave the program for any reason before I have fulfilled the above commitment, I am responsible for all remaining payments.

v. May 2023
