That swimmer does need to be entered in the championship in question or currently representing that club. Relay times belong to the team. Individual times belong to the swimmer.

Times submitted to the USA Swimming SWIMS database no later than 20 days prior to the Championships will be in the database. If a time for a swimmer is visible in the public search feature on the USA Swimming website (Times/Time Standards) and it was swum in the appropriate qualifying period, it is considered a proven official time. SWIMS data entry from meets in which time standards were met must be requested from the SWIMS Time Official in the LSC in which the meet was held. LSC officials may charge a fee for data entry requested after the meet ends. These times will not be automatically placed in the database. Times from all major international championships will be automatically entered in the database. Relay lead-offs and/or intermediate split times must be requested from the SWIMS Time official in the LSC where the time was achieved. Requesting SWIMS data entry will not enter a swimmer into a competition nor place a club on the USA Swimming mailing list.

He/she assumes all responsibility for false or incorrect times, or times which are unacceptable under USA Swimming rules, and shall be assessed a \$100 penalty, payable to Middle Atlantic Swimming, for each such time entered, unless absolved of the fine by Middle Atlantic Swimming or Administrative Review Board. Additional action or penalty may be taken or levied as deemed appropriate by Middle Atlantic Swimming. Such penalty shall also be levied against any USA Swimming verification officer who knowingly entered such a false time(s) into the SWIMS Database. Preliminary Events: 207.11.6 C, 207.11.6 E 1 & 3

"In all events where preliminary heats are necessary or in any timed final event for which the swimmer has been positively checked in, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which such swimmer entered and has not been scratched in accordance with sub-paragraphs A and B above will be barred from all further individual and relay events of that day. The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events. Additionally, that swimmer shall not be seeded in any individual events on succeeding days unless that swimmer declares an intent to swim prior to the close of the scratch box for that day's events."

Finals Events: 207.11.6 D (1) & 207.11.6 E 1, 2 & 3

"Any swimmer qualifying for a bonus, consolation or championship final in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet, except as noted in paragraph E. A declared false start under 101.1.3E or deliberate delay of meet under 101.1.5 is not permitted and will be regarded as a failure to compete."

Fines: A \$50 fine will be imposed on any swimmer who qualifies for Finals and fails to swim that event on the final day of the meet (or the final day for that particular swimmer) – unless that swimmer has appropriately scratched from the event or was originally listed as an Alternate (or lower) in the event.

Scratches must be submitted to the site's Administrative Referee prior to the scratch deadlines.
