

ABOUT CENTRAL BUCKS SWIM TEAM - USAS

CBST-USAS was established in 2005 to foster an elite level of competitive swimming within the Central Bucks area. We are dedicated to creating opportunities for our athletes to attain their goals and reach higher standards through attention to technique and a proper training regimen. The team is usually over 100 swimmers strong, including swimmers ranging from intermediate level athletes as young as eight years old to Junior National, Senior National, and Olympic Trials competitors.

CBST-USAS is part of the Middle Atlantic LSC (local swim committee), also known as MA Swimming, which is a member LSC of USA Swimming. Our programs are part of Central Bucks Aquatics, a program managed by the Central Bucks Youth Programs division of the Central Bucks School District which also provides [swim lessons](#), [swim and dive clinics](#), and a dual meet [swim team \(CBST-SAL\)](#).

CBST-USAS is a USA Swimming Safe Sport recognized club. The USA Swimming Safe Sport Club Recognition program allows a USA Swimming member club to demonstrate its commitment to creating a healthy and positive environment free from abuse for all its members through the development and implementation of club governance measures, Safe Sport policies and reporting mechanisms, Safe Sport best practices and training to athletes and parents. [For more information about the Safe Sport program, click here.](#)

As a result of the successes of our most elite swimmers, CBST achieved the Silver level (2017) and Bronze level (2018) of the USA Swimming Club Excellence Program.

CBST earned the recognition of Level 2 status in the USA Swimming Club Recognition Program. The program acknowledges clubs which take steps to identify and communicate goals, establish a strong volunteer base, and maintain a solid financial plan.
